Declaration of commitment to the principles of "The European Charter for Researchers" and "The Code of Conduct for the Recruitment of Researchers"

Within its legal boundaries, IJC hereby commits itself to applying the stated principles via its human resources policies for researchers and promoting transparency, accessibility, equity and the pursuit of excellence in the recruitment of researchers.

In adhering to this recommendation, IJC will reinforce its effort to create the best possible framework within which its researchers can develop their careers, while at the same time contributing to the development of the European Research Area.
